**MEMORANDUM FOR THE RECORD****SUBJECT: PFIAB Travel to Moscow**

During [redacted] C/SE/DDO, meeting with PFIAB Chairman 25X1  
Anne Armstrong, and PFIAB members Sy Weiss, Martin Anderson and  
Leo Cherne on 12 July, it was agreed that one PFIAB member could  
visit Moscow one time a year and, in the case of this year's  
visit, the visit would not take place before October. Sy Weiss  
is the most probable PFIAB candidate for the trip. According to  
[redacted] and the PFIAB staff, [redacted] provided the Agency's 25X1  
rationale for PFIAB members, who are known as such to the  
Soviets, not visiting the Soviet Union. The Board, according to  
a staffer, does not accept the arguments completely but does not  
wish to go counter to our concern that the visits would be  
inappropriate. The once annual visit mentioned above was the  
compromise solution.
